Statement from the Principal

This report is intended to provide an overview of the operations and achievements of the College in its third year of operation with enrolled students, 2018.

The SEDA College NSW vision is that each young person benefits from being exposed to a range of learning opportunities which allow them to develop a strong sense of themselves as learners, community participants, family members and designers of their own careers.

All students at SEDA have an interest in and are motivated by sport, and most play sport weekly outside of school. A few students are competing at elite level, but high-level sporting ability is not a pre-requisite to attend the College.

The College's intention is to ensure that each young person educated through SEDA College NSW develops as a confident learner, cares for and about others and is optimistic about their future. We aim for students to graduate from SEDA College NSW with an HSC qualification, a clear idea of what they want to achieve, and the skills and attributes they will need to be successful in their life and future endeavours.

Our College strives to build our students' capacities within a system of core values:

Professionalism: representing SEDA College NSW and their industry partner with pride, and demonstrating consistent and solid achievement.

Innovation and Leadership: taking the opportunities presented and working both independently and with their teacher to create their own, especially in volunteering and on work placement.

Integrity: working to improve their skills and understanding in all areas of the program. Showing honesty, reliability and a willingness to apply effort.

Collaboration: using energy, enthusiasm and interpersonal skills to build positive relationships and assist others to achieve.

Courage: striving for and achieving significant personal growth in one or more areas of the program, especially when faced with challenges.

The College Council, the governing body for the school, met six times in 2018. The Council encompasses a broad range of expertise including accounting, legal, governance, education, and sport. Information about the Council can be viewed at: <https://www.sedacollege.nsw.edu.au/about-seda/college-leadership/>

SEDA College NSW Context

SEDA College NSW is an independent, co-educational Year 11 to Year 12 school, established in 2015, which provides HSC programs in a hands-on, industry-based environment.

In 2018 we partnered with Cricket Australia, Cricket NSW, South Sydney Rabbitohs and Souths Cares, Sydney FC, Western Sydney Wanderers FC, Netball NSW, Sydney Swans, AFLNSW, Sydney Kings and Basketball NSW to provide a unique hands-on learning program in which students can complete their HSC while becoming ready to confidently face their future after year 12.

The College's aim is to develop an engaging and caring learning environment which fosters the growth of each young person, and provides pathways to lifelong learning. At SEDA College NSW, students benefit from being exposed to high standards and a range of learning opportunities, both inside and out of the classroom, allowing them to reach their personal and career goals.

In 2016, the first year of enrolment, 26 Year 11 students were enrolled. In 2017 the school grew to 73 students with a new intake of Year 11 students. In 2018 we achieved an enrolment of 134 students across our two campuses.

Many students commence year 11 at SEDA College NSW having disengaged with education in their previous school, for a variety of reasons, including their focus on elite sport, difficulty in managing sport commitments alongside a traditional schooling model, and a desire for a different education environment that allows them to develop their strengths, transferable skills, and networks. The school enrolls students with a wide range of abilities and strengths and we are proud of the community, life and academic outcomes our students achieve.

Student outcomes in standardised national literacy and numeracy testing

SEDA College NSW does not participate in NAPLAN as we are a senior secondary school. In future years we will assess all students' literacy and numeracy levels on entry to SEDA College NSW and where needed will support them to achieve the minimum numeracy and literacy standard required to be awarded the HSC.

Senior Secondary Outcomes

In 2018, 100% of Year 11 and Year 12 students participated in vocational (VET) or trade training as part of their HSC.

Qualification	Number completed	Percentage of cohort completed
Cert II Sport and Recreation	131	98% (year 11 and 12)
Cert III Sport and Recreation	50	96% (year 12)
Cert II Business Services	52	100% (year 12)

Qualification	Number completed	Percentage of cohort completed
Preliminary HSC	82	100%
HSC	52	100%

Higher School Certificate Band Results

Subject	Year	No. of students	Bands 3-6		Bands 1-2	
PDHPE	2018	51	School: 51%	State: 86.4%	School: 49%	State: 13.6%
	2017	25	School: 32%	State: 81.3%	School: 68%	State: 18.7%
Business Services	2018	30	School: 76.7%	State: 89.2%	School: 23.3%	State: 10.8%
	2017	12	School: 100%	State: 90.1%	School: 0%	State: 9.9%

Initiatives promoting respect and responsibility

The College wants all students to recognise that they are valued and integral parts of the school community, with parents and staff providing the care and support that engender self-esteem, mutual respect, leadership and responsibility. There are many opportunities for all students at the College to develop their abilities and to learn through experiences.

The College provides the students with opportunities to develop skills for life as an integral part of the teaching program including responsibility, resilience, professionalism and effective communication.

The College also specifically promotes understanding of Australia's first people through its teaching in stage 6 PDHPE, participation in events such as NAIDOC week, being an AIME school, and attendance at local AECG meetings.

The school actively encourages awareness of emotional and mental health needs of its diverse community through association with Headspace and ReachOut, the maintenance of an extensive support reference section of the College intranet, active support of students and families with extra needs, and membership of the City of Sydney Youth Interagency Group. The College provides sessions with motivational speakers, especially from sporting associations, and presentations from Mental Health Advocacy and Support services. We have a very active pastoral care model which allows for high level support of all students and attention to the specific learning and emotional needs of each student.

Teacher Qualifications and Professional Learning

Qualifications

Classification	Number of staff
Teachers having teacher education qualifications from a higher education institution within Australia or as recognised within the National Office of Overseas Skills Recognition (AEI-NOOSR) guidelines	10
Teachers having a bachelor degree from a higher education institution within Australia or one recognised within the AEI-NOOSR guidelines but lack formal teacher education qualifications	0

Professional learning

The School Council participated in Governance courses developed by the Association of Independent School, NSW. All teaching staff participated in one week of professional learning prior to the start of term 1 about mandatory reporting, emergency procedures, and vocational education curriculum, and one further week of school mandated professional development at the start of term 4.

In addition, the following professional learning activities were undertaken by staff throughout 2018:

Description	Number of Staff
Reconciliation Action Plan	12
First Aid and Advanced First Aid including CPR	11
Google Docs Training	9
Flipped Learning	9
Vocational Education network days and meetings	7
VET Industry Currency	7
Sport Specific Qualifications	7
Tough Conversations for Frontline Staff	5
Business Services (VET) accreditation	3
Sport and Recreation (VET) accreditation	3
ACHPER Stage 6 Conference	2
Edu Tech	2

TOTAL	10

Workforce Composition

School Staff	Number
Teaching staff	10
Full time equivalent teaching staff	9
Non-teaching staff	3
Aboriginal and Torres Strait Islander staff	1

Student attendance and retention

Retention rate is the percentage of students who are counted in the census and stay on into year 12 the following year at SEDA College. Students who left SEDA College during the Year 11 school year (including those who left to go to other schools or other study destinations such as TAFE) are counted as **not** retained. Retention is not stated for year 12 as these students do not continue at the school after graduation.

2018 Year Level	Attendance Rate	Retention rate
11	80%	93%
12	86%	NA

Attendance at SEDA College NSW is managed in accordance with the Attendance Policy as outlined below:

- a. Students are expected to attend class every day that instruction is given. Students are required to make contact with their teacher on the day that they are reporting that they will be absent from class (parents/carers may make contact on behalf of students where appropriate).
- b. In the case of an unexplained absence, teaching staff will make contact with the student's family for an explanation of the absence.
- c. Students absent for an extended period of time (e.g. illness) will be provided with work. Teaching staff will liaise with their Principal to make arrangements with students and their families. Regular contact will be made with students who are absent for extended periods.
- d. Where student attendance falls below 80%, the parent/carer will be contacted and a meeting will be convened to develop a plan to best support the student in improving their attendance.
- e. In the case that a student ceases to attend class, College staff will contact the student and/or their parent/carer to attempt to convene a meeting. The purpose of the meeting is to have the student recommence class or confirm their new destination. In instances where a meeting cannot be arranged, this process may be facilitated via phone calls, text messages, emails and letters.
- f. Where the destination of a student below 17 years is unknown, a NESA liaison officer will be notified of the student's full name, date of birth, last known address, last date of attendance, parents' names and contact details, an indication of possible destination, other information that may assist officers to locate the student and any known occupational health and safety risks associated with contacting the parents or student.
- g. All data will be managed and retained in line with the information security and records management policy

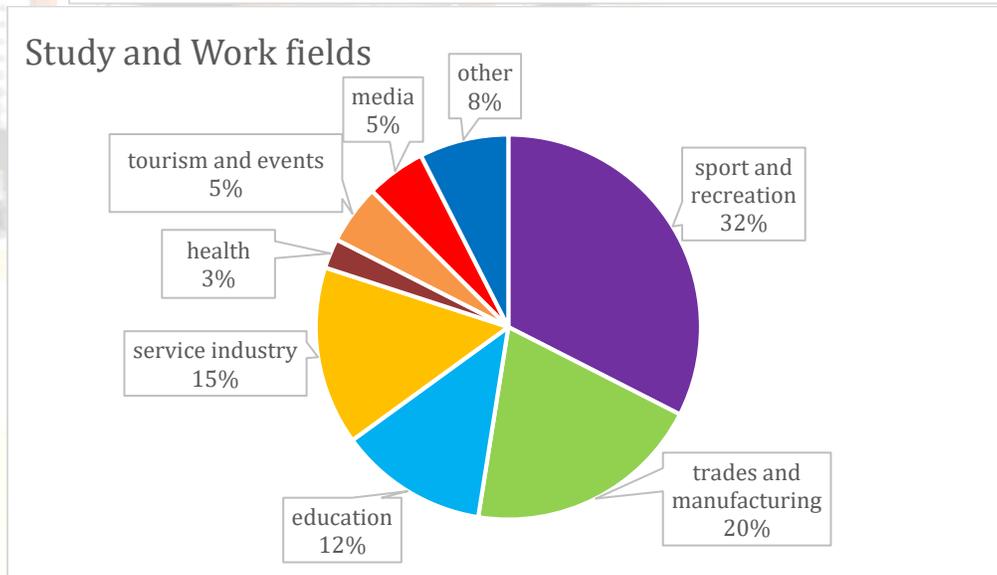

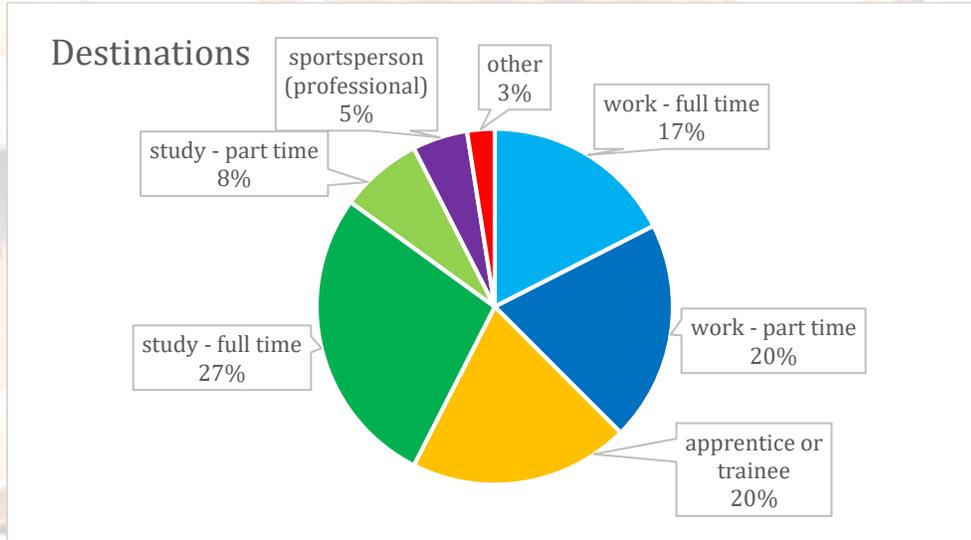

Student completion of courses and post school destinations

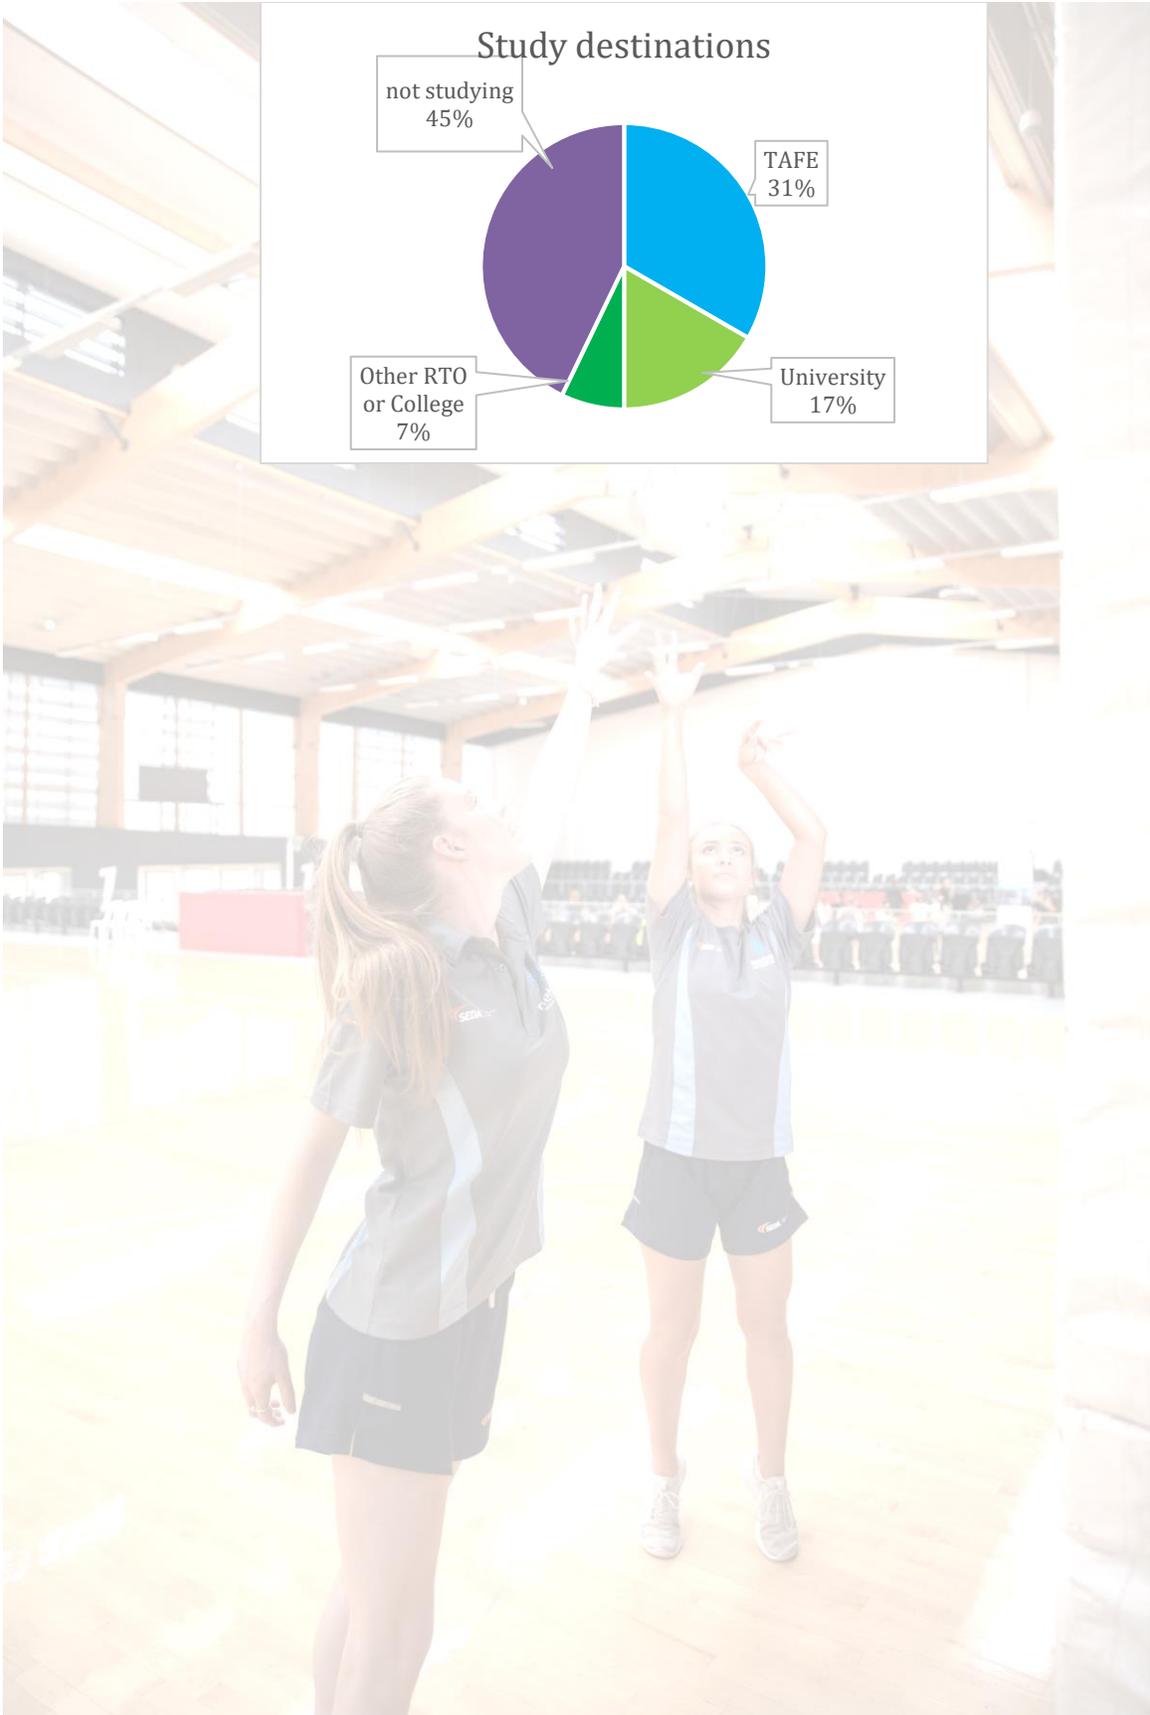

100% of enrolled students in the Year 11 cohort at census date completed Year 11 in 2018.

100% of enrolled students in the Year 12 cohort completed Year 12 and gained an HSC in 2018.

Post school destinations.

- Six-month post school destination data for 2018 Year 12 graduates is as follows:

Enrolment policy

1. Applications for enrolment may be made at any time by the parent/carer(s) of students who wish to study at SEDA College NSW. However, applications to enter Year 12 must be received and processed prior to the start of the HSC learning year, except at the sole discretion of the Principal.
2. Students enrolling at school into Year 11 will have completed Year 10 in a NSW registered school or home school, or the equivalent level of study in an Australian school outside of NSW or an overseas school. Students applying for Year 12 entry must have satisfactorily completed a Year 11 Preliminary HSC course at a NSW school or the equivalent course of study in an Australian school outside of NSW or an overseas school.
3. SEDA College NSW will base any decision about offering a place to a student on:
 - The student:
 - the contribution that the student may make to SEDA College NSW
 - the student's reports from previous schools
 - the readiness of the student to participate in the unique learning environment at SEDA College NSW
 - the maturity of the student.
 - The student's family:
 - sibling of a current or former student
 - holding attitudes, values and priorities that are compatible with SEDA College NSW's ethos.
 - SEDA College NSW:
 - ability to meet the special needs or abilities of the student.
 - Other considerations:
 - order of receipt- when the application to enrol and enrolment acceptance is received by SEDA College NSW.
4. SEDA College NSW will meet with both the student and the parent/carer(s) of the student before offering a place.
5. SEDA College NSW has an absolute discretion in determining the weight of each of the factors it takes into account in determining whether to offer a place for the student.
6. Continued enrolment at SEDA College NSW is dependent upon the student making satisfactory academic progress, attending consistently, and the student and the parent/carer(s) observing all behavioural codes of conduct and other requirements of SEDA College NSW which are applicable from time to time.

Other Policies

Our College has many policies that support the welfare and safety of our students. Policies are made available to our community of students, teachers, parents and carers via our school intranet. Several of these are also included in the student handbook, and included as an explicit part of our enrolment and induction processes for families, and during training at the start of each year for staff. All staff must have a current Working with Children Check, and sign a code of conduct and child protection policy statement prior to contact with our students and at the start of each school year.

<p>develop the maturity to be successful within this environment.</p> <p>A teacher will implement a strategy or consequence, specifically chosen to best improve the behaviour of each student.</p> <p>Strategies to improve student behaviour may include:</p> <ul style="list-style-type: none"> ● drawing attention to the behaviour referencing the Student Code of Conduct ● relocating the student in the learning environment ● discussion of the behaviour with the student at break time and reminder of the Student Code of Conduct ● temporary suspension by the Program Coordinator from part or all of the program (for less than one day) <p>Broader support strategies may include:</p> <ul style="list-style-type: none"> ● communicating with parents/carers ● further counselling ● tutoring/peer tutoring ● mentoring ● developing individual flexible learning, behaviour or attendance plans ● involving community support agencies <p>The College expressly prohibits corporal punishment as a measure for student discipline. The College does not sanction the administering of corporal punishment by non-College persons, including parents, to enforce discipline at The College.</p>	<p>establishing the importance of prior expectations and of establishing respectful relationships over punishments</p>	<p>Principal, and from the school intranet.</p>
<p>Reporting Complaints and Resolving Grievances</p> <p>A concern can be raised in person with a staff member.</p> <p>A complaint can be made in person or in writing to the student's:</p> <ul style="list-style-type: none"> ● Teacher about issues occurring in their class or group. ● Program Coordinator if the issue is across classes or groups or relates to the Teacher. ● Principal about any other issue. ● Where the complaint is about the Principal, the complaint will need to be made to the College Council Chair. 	<p>Nil</p>	<p>The full text of the school's anti-bullying policy can be accessed on request from the Principal, and from the school intranet.</p>

The College expects a person raising a complaint to:

- Do so as soon as possible after the issue occurs and to provide complete and factual information about the complaint.
- Maintain and respect the privacy and confidentiality of all parties and acknowledge that a common goal is to achieve an outcome acceptable to all parties.
- Act in good faith, and in a calm and courteous manner.
- Show respect and understanding of each other's point of view and value difference, rather than judge and blame.
- Recognise that all parties have rights and responsibilities which must be balanced.

All complaints will be recorded and acted upon promptly in an effort to resolve complaints.

A remedy or action may include one or more of the following:

- An explanation or further information about the issue.
- Acknowledgement of each other's perspective and an agreement on ways to manage differences.
- Agreement on what constitutes acceptable behaviour.
- An undertaking that unacceptable behaviour will change.
- Mediation, counselling or other support.
- An apology or expression of regret.
- A change in decision.
- A change to policy, procedure or practice.
- The cancelling of a debt (such as for the College payments).

The College seeks to use a restorative justice approach to resolve issues that pertain to student behaviours that have impacted on class colleagues, staff or the broader community. These outcomes are negotiated as part of the restorative justice process.

Teacher, parent, and student satisfaction

TEACHERS

100% of teachers completed the teacher reflection process.

Staff complete a formal reflection twice per year on their own teaching practice, class management and relationships with students. Teachers also receive de-identified summary survey and feedback data from their students.

Staff also completed a satisfaction survey based in part on the most recently available results from the OECD Teaching and Learning International Survey (TALIS). Results are below.

TALIS asks teachers and school leaders about working conditions and learning environments at their schools to help countries face diverse challenges.

100% of staff responded to the survey. The maximum score in a category is 100%.

QUESTIONS 2018 - STAFF		2013 TALIS	2013 TALIS

My teacher tries to help me	0.90	
I am happy at school	0.80	

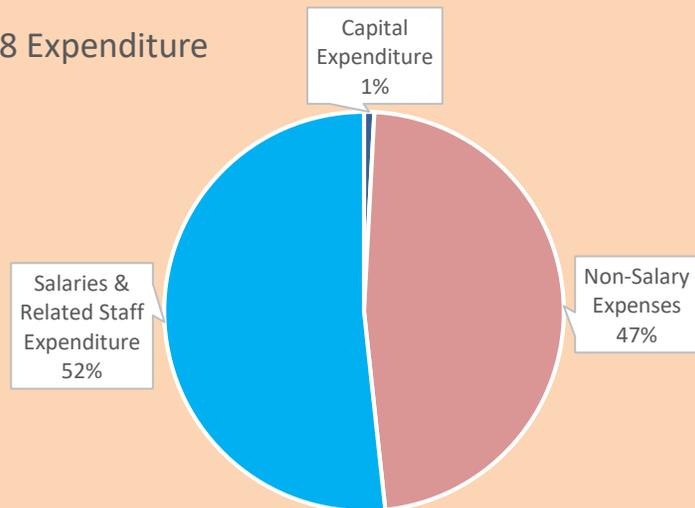

*Note: Questions marked with an * have had the scores reversed to show the outcomes in a way that is consistent with all other questions, and to allow averages to be calculated.*

Summary financial information

2018 Income

2018 Expenditure

School determined priority areas for improvement

2018

AREA	ACHIEVEMENTS
TEACHING AND LEARNING	Streamlined and improved online systems, software and hardware for curriculum delivery and management by using Google suite across the school
	Implemented standardised testing of Literacy and Numeracy for all students and develop strategies for improvement in preparation for implementation of Minimum standards for HSC attainment in 2020
STUDENT SATISFACTION	Improved student goal setting feedback from 2017 scores and maintain or improve scores in other areas
STAFF DEVELOPMENT	Established areas of expertise and leadership within the school staff to promote staff development and autonomy and contribute to the effective running of the school
	Submitted and had approved by NESA School Based Professional Development courses, to establish SEDA College NSW as a NSW Professional Development Approved provider
FACILITIES AND RESOURCES	Improved access for parents to finance information and payments via a payment portal

2019

AREA	GOAL
TEACHING AND LEARNING	Plan and host an inter-state sports competition involving all students
	Add a mathematics stream to our curriculum for all students
STUDENT SATISFACTION	Revamp the post school offerings information for Year 12 students and establish an alumni association
STAFF DEVELOPMENT	Refine specialist areas of expertise for staff to maximise excellence in service delivery across the College
	Deliver NESA accredited in-school Professional Development courses to all staff in 2019
FACILITIES AND RESOURCES	Streamline primary school clinic booking processes and involve more schools in sporting schools' programs

	Employ a dedicated admissions officer to better support parents and people making enquiries
	Locate and have registered a new campus with better classroom facilities
	Streamline parent teacher meeting (MyPLAN) booking system
